

All Presidents of Clubs can move points from Deceased Members or Non-members until midnight of June 30, 2009. After July 1st they have changed the amount of points that we can move from 500 to 100. The points of a Deceased Member after July 1, 2009 will disappear unless the Rotarian is a Major Donor and the Spouse is alive. After July 1st, 2009 the non members points cannot be transferred unless they have the signature of the past Rotarian or non member (owner of the points).

The District will be able to still offer the 100 point match for our District 2009-2010 as long as its \$100.00 New Money from the Rotarian and \$100.00 New Money from the club and the person is not a Paul Harris Fellow.
