For over 20 years, Rotary International has been waging a campaign to rid the world of polio. In 1985, **EVERY DAY**, about 1,000 children, in 125 countries, got polio!!! In 2008, the **YEARLY TOTAL** was only about 1,600 children, mostly in the 4 countries where polio is still endemic: "P.A.I.N." - Pakistan, Afghanistan, India, and Nigeria. Rotarians, worldwide, have already contributed \$700 million for polio eradication. Please help Rotary match the **"\$355 Million Challenge Grant"** from the **Bill & Melinda Gates Foundation**, given to Rotary since November, 2007 for the final push to eliminate polio!!!

PLEASE join us on Sunday, May 17, at 2:00pm for a free, informative & inspirational "Community Forum on Polio"
 (Oscar nominated film on polio, polio survivors, eradication volunteers, pediatrician)
