

## District 7190 Rotary Foundation Committee

### BENEFITS of Supporting The Rotary Foundation (TRF)

#### A SAFER WORLD

Military might alone can not produce peace.

Ignorance, poverty, and lack of basic human necessities lead to hopelessness and helplessness, which breeds violence, desperation and easy manipulation by bad people.

TRF brings **HOPE**, alternatives, and a better life.

#### CULTURAL AWARENESS & VOCATIONAL DEVELOPMENT

Young professionals in our communities can discover new insights about their work responsibilities as practiced in other parts of the world, while exploring the richness of other cultures, as part of **Group Study Exchanges (GSE)**.

TRF brings **UNDERSTANDING** and **FRIENDSHIPS** between international communities.

#### EDUCATION FOR OUR CHILDREN AND GRANDCHILDREN

Visitors from foreign lands (GSE Team Members and Ambassadorial Scholars) as guests in our homes, open up a bright new world of opportunities (travel, learning a foreign language) and inspiration (expanding their vision to new heights) for our family members.

TRF brings **BROADER HORIZONS**.

#### SCHOLARSHIP OPPORTUNITIES FOR FUTURE LEADERS

Young people in our communities can compete for generous scholarships which provide for foreign academic study, and experience as ambassadors of goodwill.

**World Peace Fellows** prepare to address conflict resolution issues worldwide.

**Ambassadorial Scholars** further their education while promoting understanding between their culture and their host community.

TRF prepares **PRINCIPLED FUTURE LEADERS** of families, businesses, communities & nations.

#### LOCAL HUMANITARIAN PROJECTS

A percentage of the donations to TRF can be used in our own communities for qualified projects to benefit the environment, children, the elderly or the disadvantaged.

TRF can **IMPROVE THE QUALITY OF LIFE** for local citizens.

#### LEVERAGING \$'s FOR MAXIMUM "WORLD UNDERSTANDING & PEACE"

Many Rotarians, together supporting worthy causes, can make a **HUGE DIFFERENCE**—for **"SAVING AND CHANGING LIVES"!!**

#### FEELING GOOD ABOUT HELPING THE WORLD TO BE A BETTER PLACE!
